1. Status of NIE 11-3-64,
"Soviet Air and Missile
Defense Capabilities
Through Mid-1970"

In response to a question from the Chairman concerning the status of the subject NIE, Dr. Kent reported that a redraft was in the process of being circulated to USIB representatives and that he hoped that it could be on the USIB agenda for 9 December. General Carroll expressed his concern that the members receive a copy of the draft in plenty of time for adequate study prior to Board consideration. Mr. McCone suggested that the estimate could be scheduled for next week if the new draft could be made available to the members promptly. *

2. USIB-D-41. 14/206 (COMOR -
D-25/130)
(Distributed through restricted channels; Revision of USIB-D-41. 14/91 (COMOR-D-25/64), 30 December 1963)

(Discussion of USIB action on this item is carried in USIB-D-41. 14/209 (COMOR-D-25/132), limited distribution through restricted channels.)

3. COMOR Biweekly Report on
High-Level Coverage
of Cuba
(USIB-D-41. 14/207 (COMOR-D-24/179); limited distribution through restricted channels)

USIB noted the subject COMOR report and the fact that future reports will be submitted every four weeks in accordance with USIB-D-41. 14/205 (COMOR-D-24/178), 25 November. (USIB discussion of a related item is contained in USIB-D-41. 14/210 (COMOR-D-24/180).)

*Subsequent to the meeting it was found that the USIB representatives needed to meet with the BNE on the redraft prior to its submission to USIB. Accordingly, NIE 11-3-64 is now scheduled for Board consideration on 16 December.
